[4/24/2010 3:00:13 PM] Dhara: Hi Parimala

[4/24/2010 3:00:28 PM] Weekend Testing: Welcome once agaian to WT 33.

WT33 – Chat transcript – April 24th 2010.

[4/24/2010 3:00:37 PM] Weekend Testing: Today's mission is as follows:

[4/24/2010 3:01:33 PM] Weekend Testing: Test www.typewith.me with reliability and stability as quality criteria. Testers need to pair with other testers.

[4/24/2010 3:02:18 PM] Weekend Testing: Please form groups of 2 testers in each group.

[4/24/2010 3:02:39 PM] Parimala Shankaraiah: Is pairing mandatory?

[4/24/2010 3:02:53 PM | Edited 3:03:16 PM] Weekend Testing: the reason of pairing is: one of the testers must test and the other must record the observations, bugs, notes.

[4/24/2010 3:03:05 PM] Weekend Testing: Yes, Pairing is mandatory. :)

[4/24/2010 3:03:17 PM] kate ivanova: how much time would it take?

[4/24/2010 3:04:08 PM] Weekend Testing: we have 45 mins to test.

[4/24/2010 3:04:25 PM] Weekend Testing: 15 mins after that, please list out bugs.

[4/24/2010 3:04:38 PM] vivek joglekar: I believe, let everyone do autonomous, with own login & endeavour

[4/24/2010 3:04:55 PM] Weekend Testing: only the bug summaries.

[4/24/2010 3:06:04 PM] Weekend Testing: once we are ready with our reports, we can go for the bug triage meeting of 1 hr duration where we will discuss which bugs to fix and which not to.

[4/24/2010 3:06:25 PM] Weekend Testing: Any questions testers?

[4/24/2010 3:06:32 PM] Jon Bach: The pairing is to help test what is a collaborative application. I suppose some could work alone if they wanted to, but they may not find a certain class of bug.

[4/24/2010 3:06:47 PM] *** Weekend Testing added vijay kalkundri ***

[4/24/2010 3:06:50 PM] Parimala Shankaraiah: The pairing is to help test what is a collaborative application. I suppose some could work alone if they wanted to, but they may not find a certain class of bug.

[4/24/2010 3:07:03 PM] kate ivanova: ok. let's start

[4/24/2010 3:07:08 PM] Jon Bach: Pari, Ajay, and I will be the triage team, looking at your bugs and deciding which we will "fix"

[4/24/2010 3:07:37 PM] Weekend Testing: its 3.07pm IST. lets be ready with the report by 4.07 pm IST.

[4/24/2010 3:07:55 PM] Parimala Shankaraiah: Isn't it just 45 minutes to test?

[4/24/2010 3:07:56 PM] Parimala Shankaraiah: :D

WT33 – Chat transcript – April 24th 2010.

[4/24/2010 3:19:32 PM] Weekend Testing: cool. continue :)

[4/24/2010 3:20:47 PM] mohamed adel: its my first time and i don't know how to share

[4/24/2010 3:21:08 PM] Parimala Shankaraiah: @Mohamed, I would be glad to help you unstuck

[4/24/2010 3:21:19 PM] Parimala Shankaraiah: What trouble are you facing today?

[4/24/2010 3:22:11 PM] mohamed adel: nothing but i need to pair anyone ?how ?

[4/24/2010 3:22:24 PM] mohamed adel: i began testing alone

WT33 – Chat transcript – April 24th 2010.

[4/24/2010 3:22:25 PM] Weekend Testing: Kate seems to be waiting for a paired tester

[4/24/2010 3:22:50 PM | Edited 3:22:57 PM] Weekend Testing: Kate and Adel, can you do a paired testing?

[4/24/2010 3:23:01 PM] kate ivanova: why not?

[4/24/2010 3:23:14 PM] mohamed adel: ok

[4/24/2010 3:23:20 PM] Weekend Testing: :) cool.

[4/24/2010 3:23:44 PM] Jon Bach: One of you has to start a typewith.me session and invite the other to it.

[4/24/2010 3:30:34 PM] Allmas Mullah: is anyone besides me experiencing a disconnected session on type*?

[4/24/2010 3:30:53 PM] Weekend Testing: is anyone besides me experiencing a disconnected session on type*?

[4/24/2010 3:31:29 PM | Edited 3:32:33 PM] Weekend Testing: downforeveryoneorjustme.com might help @Allmas.

[4/24/2010 3:31:44 PM] Allmas Mullah: thnx

[4/24/2010 3:33:22 PM] Weekend Testing: @Allmas, type just 'downforeveryoneorjustme.com'

[4/24/2010 3:33:30 PM] Allmas Mullah: tht was helpful :)

[4/24/2010 3:40:30 PM] Parimala Shankaraiah: @Everyone, hows testing going on?

[4/24/2010 3:40:35 PM] Parimala Shankaraiah: Stuck, Unstuck, busy?

[4/24/2010 3:41:24 PM] Allmas Mullah: :)

[4/24/2010 3:41:29 PM] Allmas Mullah: its going gr8

[4/24/2010 3:41:39 PM] Weekend Testing: cool, continue.

[4/24/2010 3:41:51 PM] Allmas Mullah: u knw whn a tester smiles right :)

[4/24/2010 3:42:16 PM] Weekend Testing: BUGGGSSSSSSSS

[4/24/2010 3:44:40 PM] Mohd Selim: thanks

[4/24/2010 3:45:59 PM] Weekend Testing: Testers, 20 mins more.

[4/24/2010 3:46:48 PM] Weekend Testing: Bug list must be ready. Summaries of bugs must be enough. Please have them in www.typewith.me

[4/24/2010 4:16:50 PM] Parimala Shankaraiah: @Everyone - Is everyone done with the reports?

[4/24/2010 4:17:05 PM] Jassi: nope i don't have any

[4/24/2010 4:17:17 PM] Jassi: did not prepare either

[4/24/2010 4:17:26 PM] kate ivanova: we'll report now

[4/24/2010 4:17:34 PM] Weekend Testing: ok Kate.

[4/24/2010 4:18:07 PM] Mohd Selim: i didn't get enough time to test and prepare such report

[4/24/2010 4:18:24 PM] Parimala Shankaraiah: i didn't get enough time to test and prepare such report

WT33 – Chat transcript – April 24th 2010.

[4/24/2010 4:18:31 PM | Edited 4:18:40 PM] Weekend Testing: that's ok Selim, we appreciate your presence in the bug triage meeting.

[4/24/2010 4:19:16 PM] Jon Bach: WHat about a simple list of bugs oyu found? It doesn't have to be a formal report. ALSO, you can still observe the traige window if youd like

[4/24/2010 4:19:40 PM] Jon Bach: ANYthing you found and would like to comment on is ok

[4/24/2010 4:19:41 PM] Parimala Shankaraiah: Bug Triage window - <http://typewith.me/ytQ9I9WMeK>

[4/24/2010 4:26:08 PM | Edited 4:27:00 PM] Jassi: I had no one to pair I inivited myself & started the application on IE & firefox & I have never tested any application specifically for stability or reliability,so I googled a bit

Then downloaded perlclip from satisfice.com to test if the applicatioon would crash if I entered a lots of data,unfortunately I could not test as I had to attend to my Son , so I am really sorry about this

[4/24/2010 4:26:30 PM] Parimala Shankaraiah: No probs Jassi

[4/24/2010 4:26:40 PM] Weekend Testing: its ok. please concentrate on bug triage meeting.

[4/24/2010 4:26:47 PM] Jassi: ok

[4/24/2010 4:26:48 PM] Weekend Testing: Bug Triage window - <http://typewith.me/ytQ9I9WMeK>

[4/24/2010 4:36:06 PM] vijay kalkundri: I have lost the connection in the triage meetingdue to the server load

[4/24/2010 4:36:25 PM] Weekend Testing: Please try refreshing the webpage.

[4/24/2010 4:36:26 PM] vijay kalkundri: It is trying to Re-establish the connection

[4/24/2010 4:36:52 PM] Parimala Shankaraiah: @Vijay, Refresh solved my problem. I was disconnected very often :(

[4/24/2010 4:41:11 PM] Jon Bach: I kst lost all color in the triage doc

[4/24/2010 4:41:25 PM] Dhara: me too

[4/24/2010 4:41:43 PM] kate ivanova: yeap

[4/24/2010 4:41:44 PM] Weekend Testing: who clicked the

[4/24/2010 4:41:54 PM] Weekend Testing: 'clear authorship codes'

[4/24/2010 4:42:01 PM] Weekend Testing: :|

WT33 – Chat transcript – April 24th 2010.

[4/24/2010 4:42:20 PM] Weekend Testing: isn't this a serious reliability issue?

[4/24/2010 4:42:24 PM] kate ivanova:)))))))

[4/24/2010 4:42:24 PM] Weekend Testing: :)

[4/24/2010 4:42:28 PM] Parimala Shankaraiah: Guess someone tested right away?

[4/24/2010 4:42:34 PM] Jon Bach: it is, Kate!

[4/24/2010 4:42:38 PM] kate ivanova:))) no

[4/24/2010 4:42:45 PM] Dhara: i can see color for the currently typing one, not previous colors

[4/24/2010 4:42:49 PM] Jassi: I had but long back not now?

[4/24/2010 4:43:01 PM] Weekend Testing: we can check thru the time slider?

[4/24/2010 4:43:09 PM] kate ivanova: it's an issue also)

[4/24/2010 4:43:30 PM] Jon Bach: Jassi -- you clicked it for the triage doc?

[4/24/2010 4:43:36 PM] Jassi: no, mine

[4/24/2010 4:43:41 PM] Jon Bach: ok

[4/24/2010 4:43:46 PM] Jon Bach: shouldn't matter then

[4/24/2010 4:43:52 PM] kate ivanova: no matter who..it seems to be not ok

[4/24/2010 4:43:56 PM] Jassi: ok

[4/24/2010 4:43:59 PM] Weekend Testing: copy pasting the already typed text would get back the color!!!

[4/24/2010 4:44:01 PM] Parimala Shankaraiah: no matter who..it seems to be not ok

[4/24/2010 4:44:05 PM] Jon Bach: That is a huge reliability issue

[4/24/2010 4:44:29 PM] Jon Bach: We just lost our distinctions -- fine here in the test lab, but in the field, this would not be good == we need to look into locking that down

[4/24/2010 4:44:37 PM] Weekend Testing: ok, its cut paste.

[4/24/2010 4:44:42 PM] Parimala Shankaraiah: typing newer text aslo displays newer colors

[4/24/2010 4:45:30 PM] Weekend Testing: Testers, please cut[Ctrl + X] the text you typed and paste [CTRL + V] back at the same location in the document.

[4/24/2010 4:45:45 PM] Jassi: ok

WT33 – Chat transcript – April 24th 2010.

[4/24/2010 4:45:50 PM] Weekend Testing: it should solve temporarily.

[4/24/2010 4:46:07 PM] kate ivanova: i'm always disconnected)

[4/24/2010 4:46:19 PM] Weekend Testing: Jassi :) only your text.

[4/24/2010 4:46:23 PM] Jon Bach: someone just cut the hole doc

[4/24/2010 4:46:27 PM] Weekend Testing: not the entire text.

[4/24/2010 4:46:43 PM] vivek joglekar: someone cut doc

[4/24/2010 4:46:52 PM] vivek joglekar: and zoom whole dco

[4/24/2010 4:46:58 PM] Jon Bach: it's back

[4/24/2010 4:47:00 PM] Parimala Shankaraiah: Oops

[4/24/2010 4:47:06 PM] Weekend Testing: I did a undo quite a few times

[4/24/2010 4:47:18 PM] Weekend Testing: to get back the text with color.

[4/24/2010 4:47:25 PM] Jassi: hey wat happened

[4/24/2010 4:47:35 PM] Jassi: :)

[4/24/2010 4:47:37 PM] Dhara: when i am trying to type, i was suddenly moved to jassis (yellow) comment, soon after i could see a cut version of the doc

[4/24/2010 4:47:57 PM] vivek joglekar: realabity & stabilty issue : we can not track which person doing any chnages

[4/24/2010 4:47:58 PM] Parimala Shankaraiah: I guess this is Live CrowdTesting

[4/24/2010 4:47:59 PM] Jon Bach: THis is all good testing, everyone. THis is true "dogfooding"

[4/24/2010 4:48:09 PM] Parimala Shankaraiah: THis is all good testing, everyone. THis is true "dogfooding"

[4/24/2010 4:48:10 PM] Jassi: hey i had followed the orders correctly, i m listening :)

[4/24/2010 4:48:30 PM] Parimala Shankaraiah: I remember Jon talking about dogfooding the typewith.me session and here it is!

[4/24/2010 4:48:37 PM] Parimala Shankaraiah: Perfect dogfooding

[4/24/2010 4:48:42 PM] Jon Bach: Undo is also a stabilty issue

[4/24/2010 4:49:15 PM] Jon Bach: But we were able to use the time slider toget the doc back

WT33 – Chat transcript – April 24th 2010.

[4/24/2010 4:49:22 PM] vijay kalkundri: There should be a moderator kind of privileges, who can restrict others

[4/24/2010 4:49:22 PM] Jon Bach: right Pari?

[4/24/2010 4:49:33 PM] vivek joglekar: realability & stability issue : we can not track which person doing any changes if anybody making changes in look & feel, why it display to all

[4/24/2010 4:49:34 PM] Weekend Testing: so, we get back to the meeting :)

[4/24/2010 4:49:36 PM] Jon Bach: Good idea, vijay

[4/24/2010 4:49:54 PM] Parimala Shankaraiah: Yes Jon

[4/24/2010 4:50:18 PM] Weekend Testing: it is supposed to be used by a team helping each other? :)

[4/24/2010 4:50:25 PM] Parimala Shankaraiah: There should be a moderator kind of privileges, who can restrict others

[4/24/2010 4:51:18 PM] kate ivanova: it's unsecure app, no any doubts and facts enumerated above confirms it

[4/24/2010 4:51:26 PM] kate ivanova: *confirm

[4/24/2010 4:51:31 PM] Jon Bach: Ok, I have drawn line delimiters for each bug to make it easy to read our comments

[4/24/2010 4:51:33 PM] Jon Bach: =====

[4/24/2010 4:51:37 PM] Jon Bach: like that

[4/24/2010 4:52:08 PM] Weekend Testing: Disconnected.

Lost connection with the TypeWith.me synchronization server. This may be due to a loss of network connectivity.

If this continues to happen, please let us know (opens in new window).

[4/24/2010 4:52:12 PM] Jon Bach: Me, AJay, or Pari should have the last word on each'

[4/24/2010 4:52:21 PM] vijay kalkundri: as we have Read-Write-Modify settings. Except the moderator/admin, all have the privilege of reading and writing their own stuff.. But the moderator has all the permissions

[4/24/2010 4:52:39 PM] Weekend Testing: Jon, they are giving the option of 'letting them know'

WT33 – Chat transcript – April 24th 2010.

[4/24/2010 4:53:18 PM] Weekend Testing: I'm trying that to see if there is any log present or any reference id which would be displayed to the user who wishes to report.

[4/24/2010 4:53:39 PM] Weekend Testing: and this is what is displayed: Oops! A server error occurred. It's been logged.

Please email <support@lockergnome.com> if this persists.

[4/24/2010 4:55:57 PM] Jassi: where is everyone ? here or at Typeme Triage, no pencils moving?

[4/24/2010 4:56:15 PM] Jon Bach: im here

[4/24/2010 4:56:19 PM] vivek joglekar: We r here

[4/24/2010 4:56:24 PM] vivek joglekar: only

[4/24/2010 4:56:25 PM] Jassi: ok :)

[4/24/2010 4:58:47 PM] mohamed adel: ok

[4/24/2010 4:59:05 PM] Weekend Testing: the meeting continues and we would wrap it up soon.

[4/24/2010 5:00:05 PM] vivek joglekar: I request Jon summarize session, give us valuable

[4/24/2010 5:00:15 PM] vivek joglekar: feedback

[4/24/2010 5:00:33 PM] Jassi: I have one question though was reading i saw this

[4/24/2010 5:00:51 PM | Edited 5:01:07 PM] Jassi: I just chose pink which is Jassi's color

[4/24/2010 5:01:09 PM] Jassi: but my color was yellow and not pink ?

[4/24/2010 5:01:25 PM] Jassi: so is this a prob?

[4/24/2010 5:01:29 PM] Jassi: not sure

[4/24/2010 5:01:35 PM] Allmas Mullah: :) really? I cud see ur color as pink

[4/24/2010 5:01:46 PM] Jassi: but well it is yellow here?

[4/24/2010 5:01:47 PM] Allmas Mullah: but now its showing yellow

[4/24/2010 5:01:57 PM] Jon Bach: lost the color again

[4/24/2010 5:02:05 PM] mohamed adel: no colors

[4/24/2010 5:02:39 PM] Jassi: yes me too no colors

WT33 – Chat transcript – April 24th 2010.

[4/24/2010 5:03:10 PM] Dhara: me too can't see the colors

[4/24/2010 5:03:19 PM] Jon Bach: Who took the colors away?

[4/24/2010 5:03:35 PM] Jassi: no idea

[4/24/2010 5:03:49 PM] Jon Bach: Good thing we're all just testing, else I'd be a little annoyed... :)

[4/24/2010 5:04:21 PM] Jon Bach: I think we're winding down here, so let me SUMMARIZE...

[4/24/2010 5:04:28 PM] Parimala Shankaraiah: @Jon - Annoy is a key emotion Jon. It says its a critical issue

[4/24/2010 5:04:41 PM] Jon Bach: I wanted to try two things this week...

[4/24/2010 5:04:49 PM] Jon Bach: Pairing

[4/24/2010 5:04:53 PM] Jon Bach: Triage

[4/24/2010 5:05:02 PM] kate ivanova: it sounds good)

[4/24/2010 5:05:14 PM] Jon Bach: I found typewith.me to be a useful app when collaborating across the world

[4/24/2010 5:05:24 PM] Jon Bach: but I wanted to test it as well

[4/24/2010 5:05:32 PM] Jon Bach: I also was hoping we could "Dogfood" it

[4/24/2010 5:05:36 PM] Jon Bach: and we did

[4/24/2010 5:05:42 PM] Jon Bach: I was very pleased at that

[4/24/2010 5:06:04 PM] Jon Bach: The problem we found when actualky using this app to collabroate as a whole project team were great!

[4/24/2010 5:06:22 PM] Jon Bach: And I wanted to role play stakeholders giving you guys feedback on your bugs

[4/24/2010 5:06:35 PM] Jon Bach: ALL of this was exploratory, of course

[4/24/2010 5:06:45 PM] Jon Bach: No test cases, no procedures

[4/24/2010 5:07:11 PM | Edited by Weekend Testing, 5:07:29 PM] Jon Bach: Ajay, Pari, and I started with a plan (structure) but we let it change as energy changed

[4/24/2010 5:07:13 PM] vivek joglekar: thax nice feedback

[4/24/2010 5:07:24 PM] Jon Bach: energy

WT33 – Chat transcript – April 24th 2010.

[4/24/2010 5:08:02 PM] Weekend Testing: it was real fun and actual Dogfooding :)

[4/24/2010 5:08:05 PM] Jon Bach: The bugs found were right on theme with reliability and stability, but they were less important than the EXPERIENCE

[4/24/2010 5:08:12 PM] Jassi: one silly question can more than 2 people use this application also at the same time

[4/24/2010 5:08:21 PM] Allmas Mullah: it was fun, yes!! loved pair testing

[4/24/2010 5:08:40 PM] Jassi: ah yes we can

[4/24/2010 5:08:42 PM] Parimala Shankaraiah: @Jassi - yeah. that is what we did while you were attending to your son :)

[4/24/2010 5:08:45 PM] Jassi: we were on triage

[4/24/2010 5:08:46 PM] Jassi: oops

[4/24/2010 5:09:03 PM] mohamed adel: The bugs found were right on theme with reliability and stability, but they were less important than the EXPERIENCE

[4/24/2010 5:09:29 PM] Jassi: I agree @Allmas@Weekend

[4/24/2010 5:09:36 PM] vivek joglekar: had fun to join session

[4/24/2010 5:09:42 PM] Jon Bach: Last week, this group (WT32) helped me define a paper I want to write for PNSQC

[4/24/2010 5:09:45 PM] Jassi: Me too

[4/24/2010 5:09:51 PM] Parimala Shankaraiah: Last week, this group (WT32) helped me define a paper I want to write for PNSQC

[4/24/2010 5:09:59 PM] Jon Bach: (about complexity)

[4/24/2010 5:10:33 PM] Jon Bach: Not sure what I learned this week because everything I hoped would happen, actually happened!

[4/24/2010 5:10:57 PM] Jassi: Not sure what I learned this week because everything I hoped would happen, actually happened!

[4/24/2010 5:11:01 PM] Weekend Testing: Congrats WT testers !!! (clap)

[4/24/2010 5:11:07 PM] Jassi: :)

[4/24/2010 5:11:07 PM] Allmas Mullah: @Jon That was deep :)

[4/24/2010 5:11:15 PM] Jassi: Thanks @Jon

WT33 – Chat transcript – April 24th 2010.

[4/24/2010 5:11:22 PM] vivek joglekar: (y):)

[4/24/2010 5:11:25 PM] Jon Bach: But I still treasure the experience, like collecting stamps or coins, this was another experience I can talk about at a conference to say, "No, I REALLY went through this experience with colleagues, so I know of what I speak!"

[4/24/2010 5:11:42 PM] Parimala Shankaraiah: Thanks Jon. We really enjoyed both the sessions with you

[4/24/2010 5:11:54 PM] Allmas Mullah: @Jon Please be part of WT as often as u can

[4/24/2010 5:12:17 PM] kate ivanova: thank you guys, it a pity that i'm the only tester from my large country)

[4/24/2010 5:12:30 PM] Jassi: Thanks @Jon, it was a valuable experience Thanks WT,Pari

[4/24/2010 5:12:35 PM] vivek joglekar: thanks all of u

[4/24/2010 5:12:46 PM] Parimala Shankaraiah: @Kate - you should be proud you were the only tester from your country. It's time to spread the message :)

[4/24/2010 5:12:58 PM | Edited 5:13:11 PM] Jassi: ah yes Thanks all of u :)

[4/24/2010 5:13:09 PM] mohamed adel: i have a comment and i need to say it , firstly thx for everybody help me in my first session , secondly i think that we need next one to be more managabel than this and finally thx again

[4/24/2010 5:13:10 PM | Edited 5:13:23 PM] Weekend Testing: Thanks Jon . It was great to have you in WT. :) On behalf of WT testers and WT team, I thank you. oops. We thank you.

[4/24/2010 5:13:13 PM] Parimala Shankaraiah: Thank you everyone. Have a Great Weekend

[4/24/2010 5:13:27 PM] Dhara: it was very interesting excercise today, and a good experience, thanks very much to Jon,my pair tester Allmas and all at WT

[4/24/2010 5:13:28 PM] Jon Bach: As the only one awake in the US right now, I thank everyone for participating and allowing me to host

[4/24/2010 5:13:35 PM] vivek joglekar: catch on next weekdn with new chalange !!! 8-)

[4/24/2010 5:13:39 PM] Jon Bach: Will this data be saved, Pari?

[4/24/2010 5:13:40 PM] Parimala Shankaraiah: As the only one awake in the US right now, I thank everyone for participating and allowing me to host

[4/24/2010 5:13:46 PM] Weekend Testing: yes @Jon.
