[4:02:13 PM] Weekend Testing: Welcome to WeekendTesting Session No.52

For first timers, let me tell you in brief how a WeekendTesting session is conducted:

We will have an hour of testing session followed by an hour of discussion session.

Testing Session:

WT52- Session Chat Transcript

A mission would be provided and you are left on your own to work towards the mission.

You may use any tools or any techniques. You are responsible for your testing. You can ask questions in this chat or ping me in private if you do not want to disturb others.

Please feel free to ask any questions. You can pair up with any tester or wish to work solo.

In the discussion session, we will discuss on how you approached the mission, learning, mistakes and any other interesting experience.

And finally we are here to learn, share knowledge in a fail safe environment.

Lets get started.

[4:02:53 PM] Jahira: Quite Interesting..!

[4:03:58 PM] Weekend Testing: Hope everyone has downloaded from <http://frontype.com/keyboard/Hindi-keyboard-layout.html>

[4:04:51 PM] Weekend Testing: Mission is as follows:

Compare & Contrast Frontype keyboard with On-screen keyboard available in Windows.

[4:05:35 PM | Edited 4:08:02 PM] Weekend Testing: At the end of 5pm IST, DSC Organization will decide if it needs to buy Frontype keyboard license or live with on screen keyboard

[4:05:44 PM | Edited 4:05:50 PM] Weekend Testing: Any question(s)?

[4:05:56 PM] Weekend Testing: 55 mins left
