

Weekend testing 58

Mission: to test <http://www.google.co.in/music/>

Testers: Narasimha Reddy ,Vamshi

ISSUES:

=====

- # AR rahman songs should not display older than 70's
- # total no of results displayed varying from list and grid
- # typed movie name shivaji and clicked on tamil not displayed the result as based on actor shivaji
- # does not search for music director
- # grid view missing source link
- # there is no advance search option
- # did not match any documents for no results it should be music/movie/artist instead of documents

[4:30:35 PM] Narasimha Reddy: also total no of results displayed varying from list and grid

[4:30:41 PM] vamshi: yes.

[4:31:20 PM] vamshi: search for any artist like ar rahman and click on older displays the results instead of no results

[4:32:09 PM] Narasimha Reddy: for me its showing

[4:33:07 PM] vamshi: my ques is does ar rahman is a music director in older days for ex : 70's

[4:33:45 PM] vamshi: No advance search option as google will have for every website.

[4:33:46 PM] Narasimha Reddy: Results 1 - 5 of 5 for ar rahman

[4:33:58 PM] Narasimha Reddy: for 70's

[4:34:06 PM] vamshi: will check once again

[4:34:33 PM] Narasimha Reddy: which browser are you using ? mine firefox 4.0

[4:34:48 PM] vamshi: but it's not belong to him. I am using chrome 10.0

[4:35:26 PM] Narasimha Reddy: ya,that is true

[4:35:53 PM] vamshi: can this comes under usability issue?

[4:36:20 PM] Narasimha Reddy: should be

[4:36:38 PM] vamshi: suggest any tamil movie :)

[4:37:27 PM] vamshi: I think Some movies which are released in this year are not displayed

[4:38:06 PM] Narasimha Reddy: i am not much familir with tamil movies

[4:39:29 PM] vamshi: checking the dubbed movies are all displayed

[4:41:06 PM] vamshi: typed movie name shivaji and clicked on tamil not displayed the result as based on actor shivaji

[4:41:13 PM] Narasimha Reddy: Your search - asdfasdf - did not match any documents

[4:41:34 PM] Narasimha Reddy: it should be music not documents right

[4:41:52 PM] vamshi: absolutely.

[4:43:07 PM] vamshi: In google help : Why aren't there any songs from the latest movie, "X"?

Google Music Search (India) Labs offers music as available on our partners' sites. If you are unable to find a particular song or album, it means none of our partners have it on offer at this stage and we encourage you to come back and try again as it may have been added to our partner's repertoire.

[4:44:33 PM] Narasimha Reddy: first preference given by artist ?

[4:45:07 PM] vamshi: yes artist.

[4:45:28 PM] vamshi: it shls be basd on movie or song name

[4:45:42 PM] vamshi: *should *

[4:46:27 PM] vamshi: There is no music director option too on google music page

[4:47:53 PM] Narasimha Reddy: yes, and also source link does not enable in list view

[4:48:42 PM] Narasimha Reddy: grid view missing source link

[4:49:25 PM] Narasimha Reddy: standard or list view source enable it should more helpful to the user

[4:50:10 PM] vamshi: would provide me that screenshot.

[4:51:49 PM] *** Narasimha Reddy sent gridview.png ***

[4:52:28 PM] Narasimha Reddy: time up, we need send the report
