[5:22:24 PM] sudeep kumar: but in the next 600 seconds of testing ...could understand what to do

[5:23:36 PM] sudeep kumar: Also there were some points that the rest of you got and I missed ...so the next time I test I would not miss them...

[5:24:27 PM] sudeep kumar: definitely

[5:24:40 PM] Weekend Testing: how will you use this session ?

[5:24:45 PM] Weekend Testing: for your daily tasks

[5:25:29 PM] sudeep kumar: First point is... in my office its something like we split the requirements among ourselves and start working on them...instead of discussing them

[5:25:45 PM] sudeep kumar: So we miss out a lot on the perspectives of others

[5:26:29 PM] sudeep kumar: But today i learnt first hand how we can collaborate effectively...and hope we can change things

[5:26:40 PM] Weekend Testing: wow!

[5:26:54 PM] Weekend Testing: This is what we do every weekend testing session

[5:27:02 PM] Weekend Testing: collaborate, pair up,

[5:27:15 PM] Weekend Testing: hmmm Thanks for the points Sudeep

[5:27:23 PM] Weekend Testing: Any questions for Sudeep?

[5:27:34 PM] Weekend Testing: or you have any questions for us Sudeep?

[5:34:06 PM] Weekend Testing: So, anything you want to share Mansi?

[5:36:40 PM] vamshi: yes.

[5:36:51 PM] vamshi: Here I go

[5:37:50 PM] Weekend Testing: Sudeep, how does it feel to stare at dancing pencils?

[5:38:33 PM] vamshi: It was a not my great WT. Whenever I am going to type reg. skype in typewith.me it's already there.

[5:38:52 PM] Mansi Mishra: As i told u above.. for me its ws fun.. talkin to different ppl who have differnt view over a application. doin it individually sometime u cant think of some of the points which other person can think. this finally help one to broaden the way he/she thinks.

[5:39:04 PM] vamshi: I got a chance in the next 10 mins of testing that somewhat I contributed.

[5:39:07 PM] sudeep kumar: Ajay, not an issue when you gain something from it

[5:39:23 PM] Weekend Testing: Well Said Sudeep!

[5:39:27 PM] sudeep kumar: thanks

[5:39:35 PM] Jassi: Hi I m back to ask smthg

[5:39:35 PM | Edited 5:39:42 PM] Weekend Testing: We need to learn to save testing time by typing fast

[5:39:45 PM] Jassi: i feel the session was for questoining skills

[5:39:48 PM] Weekend Testing: Thanks Mansi :)

[5:39:54 PM] Jassi: but no one asked any question

[5:40:06 PM] Jassi: we just tested, excluding me of course :)

[5:40:08 PM] Weekend Testing: Anyone agree with Jassi? I disagree

[5:40:13 PM] Jassi: i tested for 5 mins

[5:40:17 PM] sudeep kumar: I asked!!

[5:40:34 PM] Weekend Testing: Every line we wrote in typewith.me is a question!

[5:40:38 PM] Weekend Testing: :)

[5:40:48 PM] Jassi: hmhhh

[5:40:53 PM | Edited 5:41:01 PM] Jassi: was it

[5:40:57 PM] Weekend Testing: Full name - Max min

[5:41:07 PM] Weekend Testing: What is the max characters allowed

[5:41:13 PM] Weekend Testing: ?

[5:41:19 PM] Weekend Testing: Don't you think so?

[5:41:27 PM] Jassi: ya agree

[5:41:42 PM] Jassi: perception of a question with a question mark in it :)

[5:41:45 PM] Weekend Testing: Thanks Jassi for the question

[5:41:49 PM | Edited 5:42:05 PM] Jassi: thats what i wanted to see i guess

[5:41:59 PM] Weekend Testing: Vamshi - why was this not a great session?

[5:42:29 PM] Jassi: @Vamshi????

[5:43:29 PM] vamshi: I completely lost this time.

[5:44:27 PM] vamshi: Whenever I was going to type in typewith.me it's already present. I could have been faster

[5:44:38 PM] Weekend Testing: ok

[5:44:59 PM] vamshi: The next 10 min. of testing gave me a chance of contributing

[5:45:05 PM] Jassi: u mean the issue????

[5:45:13 PM] Weekend Testing: what do you think went wrong with your approach?

[5:47:50 PM] vamshi: whenever I am going to put my idea, the testers are already done it.

[5:47:57 PM] Weekend Testing: hmmm

[5:48:04 PM | Edited 5:48:08 PM] Weekend Testing: Can you blame them?

[5:48:25 PM] Weekend Testing: Who can help you improve?

[5:48:39 PM] Weekend Testing: more correct practice?

[5:49:24 PM] vamshi: I am not blaming anyone. This made to come to decision I have to improve

[5:49:47 PM] Weekend Testing: Ya I agree.

[5:50:13 PM] Weekend Testing: Who will participate in next weekend's session?

[5:50:32 PM] Weekend Testing: Any feedback for us?

[5:53:09 PM] Weekend Testing: it is only this session, we decided to ask the participants :)
