[15-03-2015 16:44:23] Weekend Testing: Is that called a favicon for windows app? In sites it called as favicon)

[15-03-2015 16:58:38] Ajay Balamurugadas: What is your opinion about this tool?

[15-03-2015 16:59:09] Weekend Testing: Many options, but to understand - how to use - there can be how to use it

[15-03-2015 16:59:14] Weekend Testing: guide

[15-03-2015 17:00:04] Ajay Balamurugadas: The options look simple, easy to use

[15-03-2015 17:00:18] Weekend Testing: What is histogram ?

[15-03-2015 17:02:05] Ajay Balamurugadas: You can call each one of them a channel

[15-03-2015 17:02:41] Ajay Balamurugadas: Similarly for display, you can modify channels to get the desired color

[15-03-2015 17:02:44] Ajay Balamurugadas: Effect.

[15-03-2015 17:02:49] Weekend Testing: Print option doing - black and white picture

[15-03-2015 17:03:05] Ajay Balamurugadas: Histogram seems to help you achieve that goal

[15-03-2015 17:03:32] Weekend Testing: I tried doing histogram and then print the image

[15-03-2015 17:03:42] Weekend Testing: still its showing blank & white

[15-03-2015 17:04:21] Ajay Balamurugadas: What do you mean by doing histogram

[15-03-2015 17:04:53] Ajay Balamurugadas: Histogram seems to display the channels and the corresponding values

[15-03-2015 17:05:16] Weekend Testing: I clicked-Equalize histogram

[15-03-2015 17:06:25] Ajay Balamurugadas: And how did you print

[15-03-2015 17:09:53] Weekend Testing: 3. Lighting -> Brightness / Contrast adjustments

[15-03-2015 17:09:57] Weekend Testing: adjust them

[15-03-2015 17:09:58] Ajay Balamurugadas: Different combinations display different colors. So if you change too much, you might even get black and white

[15-03-2015 17:10:18] Ajay Balamurugadas: See, you adjusted them and hence the output

[15-03-2015 17:10:32] Weekend Testing: No.

[15-03-2015 17:18:14] Ajay Balamurugadas: Or ask what is required of me

[15-03-2015 17:19:13] Ajay Balamurugadas: Then try few scenarios, noting down features and test ideas to test, simultaneously

[15-03-2015 17:19:31] Ajay Balamurugadas: And spend more time interacting with product

[15-03-2015 17:21:15] Ajay Balamurugadas: I want to learn about applications that run without installation

[15-03-2015 17:21:30] Ajay Balamurugadas: That would be my biggest learning today

[15-03-2015 17:21:57] Weekend Testing: but I wanted to know, how it runs without installation

[15-03-2015 17:23:16] Ajay Balamurugadas: Me too.
