[4:08:25 PM] Weekend Testing: ok

[4:08:32 PM] Weekend Testing: Mission for today:
We will be testing Twitter app. If you have not installed, please install the app. We will be generating test ideas based on the famous 'I SLICED UP FUN' mnemonic by Jonathan Kohl. Please spend few minutes reading about the mnemonic here:
<http://www.kohl.ca/articles/ISLICEDUPFUN.pdf>

The output should be a pdf file listing out the test ideas for twitter app based on the mnemonic. Please feel free to test the app to know more about the functionality and also raise any bugs/issues you find with the app.

[4:34:18 PM | Removed 4:35:36 PM] Trisha Chetani Agarwal: This message has been removed.

[4:39:10 PM | Edited 4:39:56 PM] Trisha Chetani Agarwal: # Performance issue: Translate the page into another language its take lot of time(~ 3 to 4 min) to load the page over Wifi

[4:41:20 PM] Weekend Testing: How do you translate?

[4:41:27 PM] Weekend Testing: Twitter provides you the option?

[4:41:41 PM] Weekend Testing: and which letter takes care of performance?

[4:42:08 PM] Trisha Chetani Agarwal: yes, Under help links we have a option to translate the page

[4:42:28 PM] Weekend Testing: ok

[4:42:55 PM] Trisha Chetani Agarwal: Network - wifi

[4:43:10 PM] srikrishna: Help thats webpage not app

[4:43:26 PM] Trisha Chetani Agarwal: yes.

[4:43:38 PM] srikrishna: But we testing app only

[4:46:55 PM] Trisha Chetani Agarwal: Normally for hybrid app , i have seen the help link / legal info/ terms and condition will open in web To avoid the important bugs like versions number/ help / terms condition we do test as part of app because user is navigating from app to web.

[4:47:35 PM] Weekend Testing: hmm, you can test that. Any other functions in the app that get affected by the network?

[4:47:41 PM] Weekend Testing: last 12 mins.

[4:48:29 PM] Trisha Chetani Agarwal: or somebody who is doing testing also can take care of it , just to avoid the bug as to avoid production bug

[4:50:46 PM] Weekend Testing: Will you need more time to test?

[4:50:55 PM] Weekend Testing: shall we extend till 5.30?

I SLICED UP FUN

[4:51:14 PM] Trisha Chetani Agarwal: how do we use order and payments in twitter app ?

[4:51:14 PM] srikrishna: I need 15 mins more

[4:51:30 PM] Trisha Chetani Agarwal: can we buy something ?

[4:51:42 PM] srikrishna: no

[4:53:01 PM] Trisha Chetani Agarwal: search twitter , default search result is not consistent like # earthquake and no of tweets

[4:53:17 PM | Edited 4:54:14 PM] Trisha Chetani Agarwal: but for some popular tweets only # tags

[4:53:38 PM] Weekend Testing: others, how is it going?

[4:55:21 PM] Weekend Testing: Adam, Amit, Ankit, Pooja?

[4:55:56 PM] Pooja P: Noting Ideas and bugs

[4:56:14 PM] Weekend Testing: ok

[4:56:40 PM] srikrishna: To which email need to send bugs?

[4:56:54 PM] Adam: Can someone find bugs in Twitter app, this is impressive really

[4:57:21 PM] Weekend Testing: weekendtesting@gmail.com - Please send an email and also upload to dropbox's public folder

[4:57:31 PM] Weekend Testing: so that everyone can have a look at your report too.

[4:57:41 PM] Weekend Testing: @Adam: Is it hard to find bugs in twitter app?

[4:57:52 PM] Adam: i think so :)

[4:58:11 PM] srikrishna: There are many bugs. But i will report few

[4:59:01 PM] Weekend Testing: hmm

[4:59:54 PM] Trisha Chetani Agarwal: I like the highlight functionality by twitter :)

[5:01:29 PM | Edited 5:02:11 PM] Trisha Chetani Agarwal: # Bug : and we cannot send a message until the user follow me back , that the lack of communication and usability bug

[5:02:09 PM] Weekend Testing: what if people keep spamming you

[5:02:16 PM] Weekend Testing: if that limitation was absent

[5:03:29 PM] Trisha Chetani Agarwal: yes, agreed , If i am not following the user the message can go sits in spam messages . like facebook

[5:03:43 PM] srikrishna: You can block that user

[5:04:42 PM] Weekend Testing: how much more time do we need, folks

[5:04:55 PM] srikrishna: i done

[5:04:57 PM | Edited 5:06:50 PM] Weekend Testing: Adam,, Amit, Ankit, Pooja, Srikrishna, Trisha

I SLICED UP FUN

[5:28:24 PM] Adam: Actually It's first time i test mobile app

[5:29:02 PM] Adam: i find this method easy to use as it explains the testing in different categories where you can not miss

[5:29:17 PM] Adam: i explained some functions testings ideas

[5:29:22 PM] Adam: by using the app

[5:29:52 PM] Adam: and also thought of some of the important User cases for the twitter app

[5:30:22 PM] Adam: I wonder if we can use this method also for different type of applications, not only mobile apps!

[5:30:36 PM] Weekend Testing: hmm, other apps - would have other mnemonics

[5:31:02 PM] Weekend Testing: you can check them here

[5:31:03 PM] Weekend Testing: http://qualityperspectives.ca/resources_mnemonics.html

[5:31:09 PM] Adam: great , thanks

[5:31:29 PM] Weekend Testing: what can we change in weekend testing

[5:31:38 PM] Weekend Testing: does this format help? 1 hr test, 1 hr discuss

[5:32:03 PM] Adam: can i suggest preparing blank templates for everyone of us can use

[5:32:16 PM] Weekend Testing: nice. good idea.

[5:32:20 PM] Adam: i actually used google docs

[5:32:56 PM] Weekend Testing: Thanks Adam. Did you like the experience?
