

Issue: Reminder is not working when we set for Leap day and Repeats Annually combination

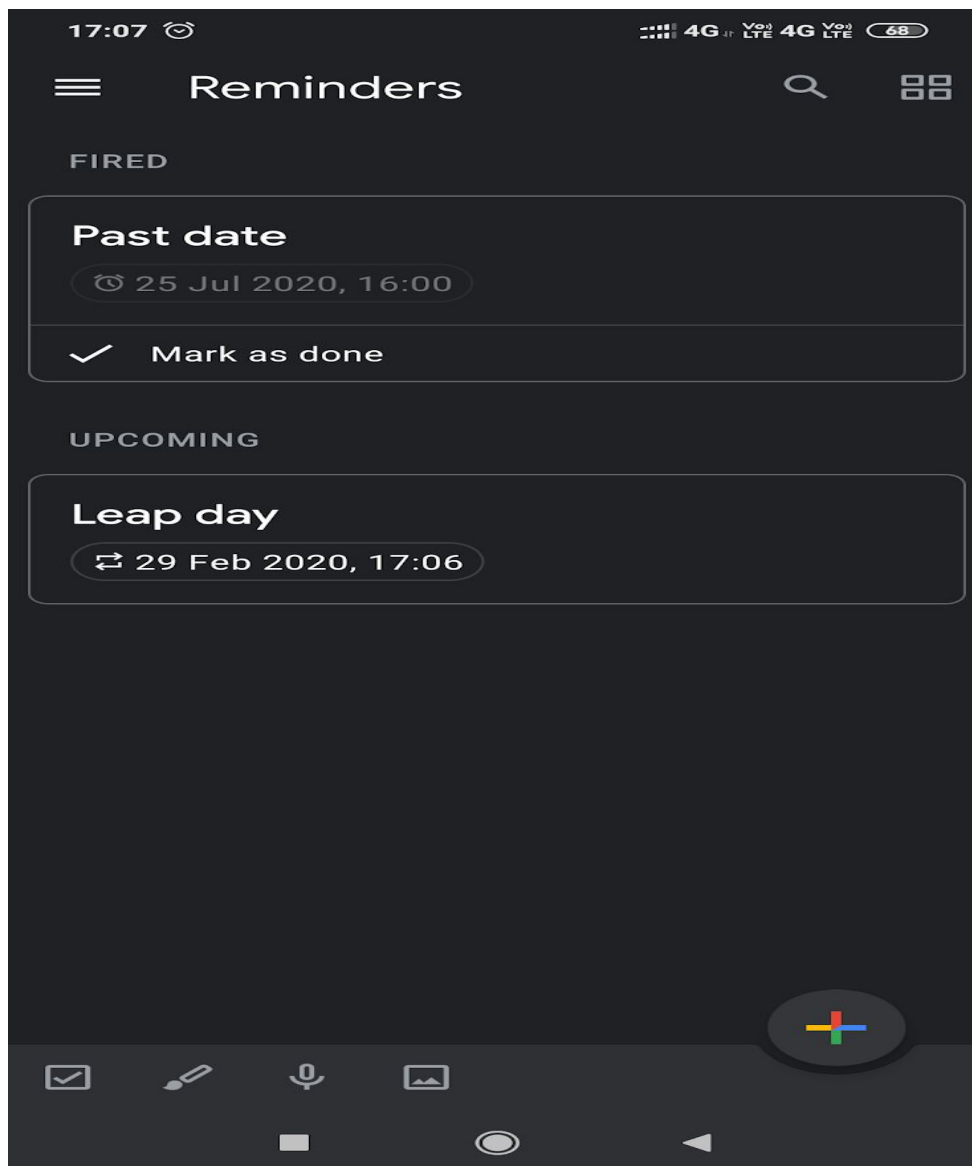

Platform: Android 9

Version : 5.20.261.03.40

Date: 25-Jul-2020

How to Replicate:

1. Change the mobile date as a Leap day. E.g 29-Feb-2020
2. Set reminder for specific time (17.00) and choose Repeats Annually
3. Change the mobile date as another Leap day. E.g 29-Feb-2024
4. Observe, Reminder is not triggered
